

General Terms and Conditions of Sale

<p><u>Section 1.</u> Agreement</p>	<p>These Terms and Conditions of Sale, together with any other document(s) that FCI Ophthalmics, Inc. and its resellers (“FCI”) has attached hereto or executed that specifically reference these Terms and Conditions of Sale (such as a Sales Order Confirmation, Quotation, and/or Proposal), constitute the entire agreement (“Agreement”) between FCI and you (“Buyer”) regarding the purchase and use of FCI products (“Product(s”).</p> <p>By accepting delivery of the Product(s), Buyer agrees to accept the Terms and Conditions contained in this Agreement.</p> <p>No addition or amendments are to be made, unless otherwise agreed to in writing and signed by FCI.</p> <p>FCI’s agreement to sell any Products is conditioned on Buyer’s assent to this Agreement and is limited to acceptance of this Agreement, and no specific condition or terms issued by the Buyer which may appear on the purchase order or on any document communicated by the Buyer, shall prevail over this Agreement. All such conditions and terms are objected to and rejected. Fulfillment of Buyer’s order does not constitute acceptance of any of Buyer’s terms and conditions and does not serve to modify or amend this Agreement. For the avoidance of doubt, the Buyer’s general terms and conditions of purchase are expressly excluded.</p> <p>These Terms and Conditions may be updated or amended from time to time by FCI, a copy of which will be available for review at https://fci-ophthalmics.com/resources/terms-and-conditions/</p>
<p><u>Section 2.</u> Pricing and Taxes</p>	<p>Purchases under this Agreement shall be sold and invoiced at FCI’s prices and charges in effect at the time of each shipment of Products unless otherwise specified by FCI in writing (“Price(s”). FCI reserves the right to change or withdraw published FCI list prices without notice. All Prices are in U.S. dollars. The Price does not include applicable sales, excise, use, or other taxes in effect or later levied. FCI complies with all laws to collect applicable sales taxes and is required by law to collect sales tax in all states. Except for those taxes attaching to FCI (e.g. income taxes), Buyer is responsible for payment of all taxes associated with its purchase of the Product(s), including (but not limited to) sales, use or excise taxes, VAT, duties, or property taxes, and Buyer agrees to indemnify and hold FCI harmless for any liability for such taxes, as well as the collection or withholding thereof, including penalties and interest thereon.</p> <p>In order for FCI to extend tax-exemption status to Buyer, Buyer must provide a tax-exemption certificate from the jurisdiction of the location where the Product will be used prior to acceptance of the order (Sales Tax Exemption Form). Such taxes will be added to the price of the Product and/or billed separately to Buyer where FCI has the legal obligation to collect the taxes.</p>

<p>Section 3. Payment Terms</p>	<p>Payment will be due net 30 days after the date of FCI invoice regardless of controversies relating to other Product deliveries or undelivered Products. Alternatively, FCI may require a deposit upon placement of the order, in which case the payment balance will be due on delivery (including applicable sales tax, cost of freight, insurance, etc.). Notwithstanding the foregoing, FCI reserves the right to require payment in full, in advance, or C.O.D., or otherwise modify credit terms either before or after acceptance of any order if, for any reason, Buyer’s credit is or becomes objectionable to FCI. Pending correction of any objectionable credit situation, FCI may withhold shipments without incurring any liability to Buyer. Payments must be made in U.S. Dollars.</p> <p>If Buyer fails to fulfill the terms of payment, FCI will have to option to do one or more of the following: (i) decline to accept orders or fulfill pending orders; (ii) require all pending and future orders to be on a pre-paid basis; and (iii) balances not paid when due shall be subject to a service charge equal to one-and-one half percent (1½%) per month, or the highest rate permitted by law, whichever is less. All bank charges are the Buyer’s responsibility. There is no fee for check or ACH payments.</p> <p>FCI accepts Visa, Mastercard and American Express (fees vary based on card).</p>
<p>Section 4. Shipping and Freight</p>	<p>All shipments will be made from FCI’s shipping points. Absent specific agreement, otherwise, FCI will select the carrier. Title and risk of loss of the Product(s) passes to the Buyer upon FCI’s delivery to the designated carrier or delivery service. The buyer shall reimburse FCI for any insurance proceeds obtained covering losses associated with delivering the Product(s) to the carrier. If a shipment date is indicated on this Agreement, such date is only an estimated delivery date, and not a binding term of this Agreement. FCI will make commercially reasonable efforts to meet the delivery date. If FCI does not deliver the Product(s) within sixty (60) days of the delivery date, then Buyer may terminate this Agreement, and neither Buyer nor FCI will have any further obligations. FCI may, in its sole discretion, without liability or penalty, make partial shipments of Products to Buyer. Each shipment will constitute a separate sale, and the Buyer shall pay for the units shipped whether such shipment is in whole or partial fulfillment of Buyer’s order. All shipping/freight charges will be paid by Buyer.</p>
<p>Section 5. Delivery Inspection and Acceptance</p>	<p>The buyer must inspect delivered Product(s) and, within forty-eight hours (48) from the delivery date, report any claims for defects, damages, shortages, or receipt of wrong Products which as discoverable upon a visual inspection.
